If everything is in one box that is maintained the in same location, this will help cut down on “supply search” throughout the house and last minute trips to Wal-mart for needed items.

Markers, color pencils, notebook paper, graph paper, construction paper, ruler, pens, pencils, pencil sharpener, compass, protractor, index cards, glue or glue stick, scissors, dictionary, simple calculator

***** This list covers most supplies that will be requested by individual teachers. At Open House you will receive a welcome letter from each teacher that will suggest materials need for their particular class.
