

PARENT INFORMATION

The Infinite Campus Parent and Student Portal provides much information for the parent and student. Grades, Attendance, and Behavior are easily viewed. To access the Infinite Campus Parent Portal, click Parents/Students on the website menu and then select Infinite Campus Portal Link. If you do not already have a portal account, please follow the instructions on the page or email parent.portal@etown.kyschools.us for login information.

Information regarding the Parent/Teacher Organizations at each school can be accessed by clicking Schools on the website menu bar and then selecting the school's website. Enter the school website and look for links to parent involvement opportunities.

Would you like to schedule a conference with your child's teacher(s)? There are a couple of ways to schedule a conference:

- 1) Call the office of your child's school and request a conference.
- 2) Contact your child's teacher(s) via email requesting a conference. The format for the email address is as follows: teacher's first name.teacher's last name@etown.kyschools.us. (Example: sharon.lee@etown.kyschools.us).

Please check other sections of our district website for further information, particularly the following:

- Departments – Student Services
- Departments – Curriculum
- Departments – Transportation
- Departments – Nutrition Services
- Parents/Students – FAQ
- Parents/Students – Instructional Links

Do not hesitate to contact the schools or the Central Office staff for additional information.
