

Traffic Patterns at EHS 2017-2018

In order to create a safer parking lot, we have created this map for AM and PM Traffic Patterns.

CAR RIDER DROP-OFF ZONE = 

We will have one entrance into the building before school and that will be in the front of the building = **E**

SINGLE ARROWS INDICATE ONE-WAY TRAFFIC

**Please do not enter Panther Academy's Parking Lot as they already have enough traffic with their student drop-offs.

The Speed Limit in our School Parking Lots is 10 mph. Violators will be prosecuted and student drivers will lose their privilege to drive on campus.

Please help us keep our campus safe. Go Panthers!
