

# PANTHER ONLINE LEARNING

## MES ONE STOP SHOP

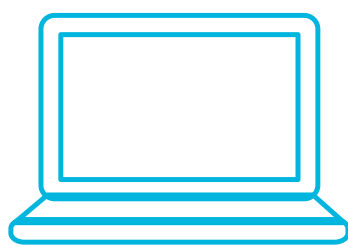

This is our main hub your child visits first each school day. All students start at our "door page" and enter the appropriate grade. This platform is designed to function best when using your child's google account. Please do not request access as all features will work with etown student accounts and granting rights can result in unwanted editing errors. You can find the ONE STOP SHOP under the MES Students tab on your child's chromebook or on our school website.

## VIDEO GUIDE FOR PARENTS

Scan this QR code (simply open the camera on your phone) for a video tutorial on using our ONE STOP SHOP. You can also find the video on our school website.

## VIRTUAL OPEN HOUSE

Check out our virtual MES Open House by visiting each door throughout our ONE STOP SHOP page. Each grade level - as well as many support teachers - have an Open House link on their landing page. Be sure to complete the required sections and explore the optional features. Open House will be live on August 21st.

## GOOGLE CLASSROOM

Your child will be added (returning students) or invited (new students) to their grade level Google Classroom. All daily assignments will be found by accessing the Google Classroom link behind your child's grade level door on the ONE STOP SHOP page. Each day, there will be a form titled, "To-Do List." All of your child's assignments and class materials can be found within this form.

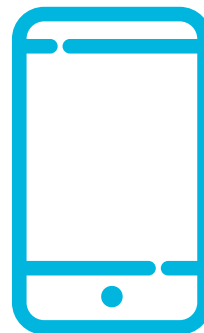

## MORNING MESSAGES

Be sure to check out the ONE STOP SHOP for morning messages from Mr. Mudd. Announcements can also be found behind the office door.

## CLASS DOJO

Class Dojo is the primary form of communication for families at MES. If you are not linked to your child's classroom by August 21st, please reach out to your child's teacher or contact the school office for assistance. It is important to turn on notifications for this app so you do not miss important messages and updates.

CHECK OUT OUR FREE LITTLE LIBRARY IN THE FRONT OF MES FOR BOOK RENTALS - BOOKS ARE AVAILABLE FOR READERS OF ALL LEVELS.
