EIS Panther Online Learning 21/22 (Elementary)

K-5 POL Program Description

EIS will provide a virtual option for the 2021-2022 school year for K-5 students with extenuating, hardship circumstances. This will occur through an application process (application is linked below) and will be approved only through EIS superintendent Kelli Bush.

Curriculum & Instruction

Virtual students will follow the daily school schedule Monday-Friday between the hours of 8:00 am and 3:00 pm and participate in live, synchronous instruction with their teacher(s) and classmates. Virtual students will access their assignments through Google Classroom and will attend live instruction through Google Meets.

Technology

EIS will provide a Chromebook for each virtual student. Families will be expected to sign a contract for the device and agree to the terms of the contract. Parents/Guardians are expected to provide reliable high-speed internet for their virtual student(s).

Transportation

Transportation will not be provided for virtual students in 2021-2022 to attend extracurricular events, athletics, practices, assessments, screenings, support services, etc.

Food Service & Nutrition

Food and Nutrition services will not be able to provide meals to virtual students in 2021-2022 due to federal regulations.

Athletics and Extracurricular Activities

Virtual students will be allowed to participate in extracurricular events and programs to include athletics and after school activities.

Communication & Student and Family Engagement

Virtual students and their families will be expected to maintain open communication with their school and teachers through various modes of communication (IC email, Class Dojo, phone, etc.) and participate in parent-teacher-student conferences.

Assessment, Screenings, etc.

Virtual students will be required to participate in various assessments and screenings throughout the school year on campus (hearing and vision screenings, KPREP, STAR, ITBS, etc.). Schools will communicate with families when assessments and screenings are scheduled to take place.

Criteria to Remain in EIS Panther Online Learning

☐ Attendance

Students are expected to attend and participate daily in all virtual classes, Monday-Friday, 8:00am-3:00pm. Truancy is defined in Kentucky as having 3 or more unexcused absences. Chronic Absenteeism is defined as having 10 or more absences per year (excused or unexcused). Attendance will be taken twice daily and will be monitored closely for all virtual students. If absenteeism becomes problematic, school and/or district personnel will contact parents/guardians and continuation in the program may be reconsidered.

☐ Academic Performance

K-3 students must maintain satisfactory performance in all content areas to remain in the virtual platform.

Fourth and Fifth grades students must maintain a C average or higher in all content areas to remain in the virtual program.

☐ Student Behavior

Students are expected to adhere to schoolwide and classroom rules and expectations in the virtual platform. If behavior becomes problematic, school and/or district personnel will contact parents/guardians and continuation in the program may be reconsidered.

☐ Participation and Expectations

Students must consistently adhere to all the expectations outlined within Expectations for EIS Panther Online Learning.

Student Services and Programs

☐ Special Education/Students with IEPs

An ARC meeting will be held to determine supports, services (educational services and related services) and specially designed instruction.

Modifications and accommodations on student assignments and activities will be made according to the student's IEP.

☐ Students with 504s

Modifications and accommodations on student assignments and activities will be made according to the student's 504 plan. A meeting may be held if changes are needed for the student's plan.

☐ English Learners

Modifications and accommodations on student assignments and activities will be made according to the student's EL plan. A meeting may be held if any changes are needed.

☐ Gifted & Talented Students

For students identified in the Primary Talent Pool program (K - 3rd) or the Gifted and Talented program (4th - 5th), differentiated services will be provided based on the individual learning needs and abilities of the student. Individual services will be outlined on the Service Articulation Plans for Primary Talent Pool students and on the Gifted Student Service Plan for Gifted and Talented students.
